(A1697DIV3)REMARKS

Amendment of the specification is being made at the request of the examiner to correct references to figures which were earlier renumbered or deleted from the application. The amendments raise no issue of new matter as they merely conform the specification to changes that have previously been approved by the examiner. Accordingly, entry of the present amendment is respectfully requested.

It is believed that no fees are due in connection with this amendment. In the event this is not correct, the undersigned authorizes the Commissioner to charge Deposit Account No. 50-0872.

Respectfully submitted,
